

# PROGRAMMING 2017-18

## Elementary School

At Schenevus Elementary School, we focus on the whole child, working to create a strong foundation for future learning. Our strategy is to build on each level of knowledge and skill as a student progresses from pre-kindergarten through sixth grade. Our small class sizes allow us to hone in on what students are doing well, support them in any areas where help is needed, and challenge them to reach their highest potential. Our range of student activities help make learning fun, and broaden students' horizons.

### Elementary Opportunities

- Dragon Fest Assemblies
- Battle of the Books
- Girls on the Run
- Field Day
- Open House
- Fire Safety Week
- Scholastic Book Fair
- Girl Scouts
- Cub Scouts
- Field Trips

- Fourth Through Sixth-Grade Band and Lessons
- Fourth Through Sixth-Grade Choir and Lessons
- Academic Intervention Services/Response to Intervention
- School-based Health Center
- Grandfriends Breakfast & Visit

## Middle School

At Schenevus Middle School, we acknowledge our students are at an important level of development. The study habits developed in seventh and eighth grades lay the foundation for academic success in high school. Schenevus Middle School students are able to take exploratory STEM courses, among other courses, that build toward the high school curriculum. Our Counseling Office works directly with Middle School students on character building, and there is a greater opportunity for arts and cultural enrichment. Interscholastic athletic, creative arts and club opportunities also foster student growth.

### Middle School Classes

#### ENGLISH

- English 7
- English 8

#### MATH

- Math 7
- Math 8

#### SCIENCE

- Science 7
- Science 8

#### SOCIAL STUDIES

- Social Studies 7
- Social Studies 8

- Modified Girls Basketball
- Modified Baseball
- Modified Softball
- Battle of the Books
- Book Club
- Drama Club
- Media & Communications Club
- Student Council

# PROGRAMMING 2017-18

## High School

At Schenevus High School, our goal is to see all of our students graduate with a head start on college and careers. To accomplish this, we offer a variety of college-level and Advanced Placement classes (distance learning classes are marked "DL"). The district has also boosted career exploration opportunities for high school students, and enhanced creative arts and club opportunities. Many of our students also participate in interscholastic athletics and have been recognized through the Scholar/Athlete Program. Our use of the Naviance College and Career Readiness program ensures our students are positioned for success when they graduate.

### Extracurriculars

#### ATHLETICS

- Varsity Cross Country
- Varsity Boys Soccer
- Varsity Girls Soccer
