## OUR MISSION

*With our children as our focus, and with accountability and honesty as our guiding principles, Schenevus Central School will provide a caring, stable, secure and academically challenging environment; one that motivates each student to discover, practice and master the skills to pursue a productive lifetime of work and learning within our community, and the world.*

Dear Schenevus Community members,

New York State education law allows for community members to petition to revoke one year and one day following a failed merger vote. A petition from a Schenevus community member was received on December 2, 2022 with the appropriate number of signatures to prompt a revote on the question of the merger/annexation with Worcester CSD.

Commissioner Rosa has ordered a revote on February 15, 2023. The vote will take place from 12:00-8:00 at the school.

On the website, we've posted the order from Commissioner Rosa as well as absentee ballot directions and application.

We will continue to keep the community updated about the revote. Please direct any questions to District Clerk, Jody Carney ([jcarney@schenevuscsd.org](mailto:jcarney@schenevuscsd.org)).

On behalf of the Schenevus Board of Education,  
Tom Snyder  
Board President
